

Statement

Thank you for visiting our website and getting acquainted with the information there. We allow to print this information for personal use and store it on your personal computer. Nevertheless, we would like to inform about some legal restrictions that we have established for all visitors of JSC "Profotech" website, and we ask you to comply with all the rules listed below.

The site contains proprietary information of JSC "Profotech". This property includes, but is not limited to, copyrights, trademarks and technology information. All of the above is presented in the form of text, images, audio, video and downloadable data or links to sources. "Profotech" reserves all the rights in the above-mentioned materials, intended exclusively for the clients of JSC "Profotech" and presented here for your convenience.

JSC "Profotech" can not guarantee the accuracy, completeness and reliability of the information presented on the website. Therefore, you can not fully trust the information published on the website, until you receive a corresponding written notification from us.

The information is presented on the website "as is" and under no circumstances JSC "Profotech" is liable for direct, indirect, incidental, or any other damage in connection with the use of the materials presented herein.

JSC "Profotech" aspires to ensure the maximum possible safety of information about you, received via the Internet, regardless of any relevant circumstances. JSC "Profotech" uses the provided information (if any) solely for the purpose of determining the possibilities of using our site, development and improvement of its content. The personal information, we received, can only be used when answering your request, processing an order, or giving you access to specific information.

JSC "Profotech" web-site can contain links and references to other sites. We try to publish links only to sites that, like us, are distinguished by high quality of information and respect for the data confidentiality. However, we can not be responsible for the content of other web-sites and their privacy policies.
